

What is the Extended Day School Program?

As an extension of the St. John Paul II Regional School, we are dedicated to supplying students with a quality social education that extends beyond the classroom where they can explore and express themselves.

The Extended Day Program consists of the Before and After School Care programs that allow students the opportunity to work, play, and improve academic skills through individualized attention. The program also is designed to meet the needs of working parents.

Who may Participate in the Program and Why Should We?

Any student of St. John Paul II Regional School may participate on a daily, weekly or even an occasional basis.

The program is available for your convenience. Register your student today by completing the registration form and returning it to the school with your registration fee.

What if ...

...you have an emergency and cannot pick up your child on time?

... you need extra time for shopping or a doctor's appointment?

... your child is held after school and you cannot meet him or her at the given time?

Then you only need to call the school and make arrangements for your child's participation.

PLEASE NOTE: The school is not responsible for providing after school care due to detention, a missed bus, late pick-up by a parent, etc. If your child is sent to the Extended Day School Program, billing for care begins at 3:00 at the hourly rate of **\$10 and cannot be prorated.**

What are the Hours?

Before Care begins at 6:30 am and runs to 7:40am (8:30 am for Pre-school students).

After Care runs from 3:00 pm to 6:00 pm on Full School Days or
from 1:00 pm to 6:00 pm on Early Dismissal Days.

Pre-School students with older siblings enrolled in grades K-8 may participate in the Extended Day program at no charge if all students are dropped off after 7:40 am in the morning and picked up by 3:00 pm (or scheduled K-8 school hours).
(This is a benefit to families to avoid multiple trips to and from John Paul II Regional School for regular school hours.)

What Activities are Available?

The Extended Day Program is an academic and recreation based program. It offers age-appropriate activities that are designed to be physically and intellectually stimulating to students. The activities are designed using a team approach that includes input from the after school staff members, and the students themselves.

Homework Period: Time for students to complete their homework and/or any daily assignments.

Crafts: Projects are planned for the various holidays.

Recreation: Equipment is provided for outdoor play. A variety of games entertain the children indoors.

Snack Time: Students must have a snack for the program or can purchase a snack through Nutre-Serve.

What are the Costs for the Program?

Before Care: \$8 up to 7:40 am, \$10 from 7:40 am until 8:30 am

After Care: Can be paid at an hourly, daily or weekly rate. (**NOTE:** HOURLY RATES APPLY TO FULL DAYS ONLY AND CANNOT BE PRORATED.)

Number of Children	Rate Until			Daily Rate (full day)	Daily Rate (half day)	Weekly Rate
