

# Our Stores Are Open!

We're focused on making the back-to-school uniform shopping experience as safe & easy as possible this year.

## Curbside & In-Store Pickup

In-store & curbside pickup is now available at all retail locations. For details, visit our [COVID-19 Updates](#) page!

## Walk-Ins

If you'd prefer to shop in store, we will be welcoming walk-in customers in limited numbers. The total customers permitted to shop at once will be based on CDC guidelines as well as state and local mandates; we appreciate your understanding and patience in the event of a line!

## Safety Updates

### MASKS REQUIRED

All customers and employees will be required to wear a mask when entering our store. We ask that masks be worn properly to cover both the nose and mouth!

### CLEANING

Our stores will be thoroughly cleaned daily, but we will also be sanitizing high-traffic surfaces throughout the day. Additionally, hand sanitizer dispensers will be located throughout the store; both employees and customers are encouraged to use them often! Additionally, we've updated our merchandise handling procedures - particularly around returns & exchanges.

### EMPLOYEE HEALTH

Each of our employees will go through a health screening prior to resuming work and will have their temperature taken before entering our stores.

### SOCIAL DISTANCE

We've installed hanging signage and floor markers throughout our stores to ensure safe social distance between customers and employees.

## Important Notice to Customers:

In light of COVID-19, we are asking very sincerely for your support in making this back-to-school season a safe one.

Due to the current health crisis, last-minute shopping in crowded stores is no longer a safe option for parents, students, or employees. In the interest of safety, and to ensure that every student receives the uniform they need in time for the first day of school, **we strongly recommend that parents consider shopping online this season, take advantage of contactless pickup in our stores, and - more than ever - avoid waiting until the last minute!**

In order to encourage a safe back-to-school season, we will be offering a series of discounts between now and the end of July. Please note that with each sale that discount percentage will decrease - meaning that **the earlier families shop, the more you'll save!** Additionally, in the interest of safety, **discounts can be applied only to remote orders.** This includes online orders, curbside and in-store pick-up, as well as orders placed over the phone.

Thank you in advance for your support in making this back-to-school season a successful one, and as always: thank you for shopping with FlynnO'Hara uniforms.
