ENROLLMENT INCENTIVE PROGRAM

Dear SJPII School Families:

St. John Paul II Regional School has as its top priority to increase enrollment in our school. We believe that growth in student enrollment is most effective when current St. John Paul II families share their enthusiasm for their school with family members, friends, neighbors, co-workers, parishioners, and others.

In an effort to encourage this type of activity, St. John Paul II Regional School is pleased to offer a program to increase enrollment and reward existing families for their efforts in promoting St. John Paul II Regional School.

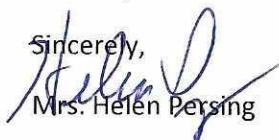

How does the program work?

Any existing family whose promotional and referral efforts result in a new family registering for and attending St. John Paul II Regional School (PreK excluded) will receive a one-time tuition credit equal to \$500.

Conditions:

- A parent from the referring family must introduce the prospective family to the school administrator or advancement director, to discuss the possible enrollment of the new family's children.
- The prospective family must have had no previous contact with the school regarding information about enrollment.
- The new family must attend St. John Paul II Regional School for the entire school year of 2022-2023.
- The tuition credit for the referring family will be applied to their tuition bill in April, 2023. If the referring family tuition is already fully paid, the credit will be applied to the following year's tuition. Tuition accounts for both families must be current at the time of credit.
- Enrollments after the start of the school year will result in the incentive being pro-rated.
- This recurring incentive can be earned by any family, even if they are receiving other tuition reductions (scholarships) and/or financial aid. However, the amount of the tuition assistance plus the referral credit cannot exceed the amount of the annual tuition.
- The tuition credit has no cash value.
- The school administration reserves the right to interpret any aspect of the program, including issues or scenarios that are not specifically covered in this document. The school reserves the right to modify or discontinue this program without notice.

As always if there are any questions, please feel free to contact me.

Sincerely,  
  
Mrs. Helen Persing
